

Certified True Copy Attestation

Dubai

[Certified true copy attestation Dubai.](#) To get certified true copy attestation for all types of documents. You will be required to visit a notary public or authorized lawyers for certification of your documents. The below steps are required to get certified true copy attestation services.

Submit Original documents along with Xerox copies. The document must be original, and your presence as well. If you do not have photocopies. The lawyer's office may make copies for you.

The Lawyer will check the original document, and make sure if the document is genuine. Once the document is confirmed as genuine. He/she will seal and sign it as a true copy of the original document. After completion of sealing and stamping, you will get your certified copies with stamps and original back.

The service could be slower or faster and depends on the service provider you choose. If you choose a company to certify a document for you. It may require one or two days to get your documents back.

However, if you opt for Notary services in Dubai. You can get your documents certified straight away. Once you visit our office with originals. You can get your document attested and certified same time.
